

2010 Haida Gwaii High School Volunteer Application

What we do:

Science ALIVE is a not-for-profit science education program based out of Simon Fraser University's Burnaby campus. The goal of the program is to **expose youth** to the exciting worlds of **SCIENCE, ENGINEERING and TECHNOLOGY** and to **inspire** them to want to learn more. Science ALIVE develops exciting hands-on activities that are completely different from what kids experience at school. Science ALIVE runs many programs throughout the year, including summer camps in July and August.

We are currently looking for high school volunteers to assist our instructors in running summer camps in Masset (July 26-30), Port Clements (August 16-20), Skidegate (July 19-23), and Sandspit (August 23-27).

Job Description:

This position requires a commitment to one full week of volunteering with our summer camps (Mon to Fri: 9am – 3pm). It will involve assisting instructors in the running of camp, leading games, and the general supervision of campers. Interested candidates must currently be in/completing grades 9-12.

What we are looking for:

If you are interested in science, engineering and technology, and would like to spend the summer having fun with kids and getting them excited about science, this is the job for you! We are looking for individuals who are enthusiastic, responsible and good with kids. Science background and experience working with children are assets, but are not required.

What you will gain:

- 💡 Leadership and career experience
- 💡 Experience working with children
- 💡 Knowledge about science, technology, and teaching
- 💡 A reference letter that you can use in future job and/or post-secondary applications

If you are interested, please fill out the application form and submit it (along with your resume and a cover letter) by e-mail, fax, or regular mail to Science ALIVE by June 21st, 2010.

Application Form

Deadline to apply for Volunteers is **June 21st, 2010.**

Personal Information

Full Name: _____

Grade currently completing: _____

School attending: _____

Week(s) of Interest (Please circle which camp(s) you would like to volunteer at):

Skidegate (Sk'aadagaa Naay Elementary) July 19-23rd

Masset (Tahayghen Elementary) July 29-30th
