Please have the student write a 1 page **letter**, addressed to Science ALIVE, explaining why they would like to attend Science ALIVE camps this summer. Also include a **letter** from a teacher/ counselor at school, or family friend or community member, or a Boys and Girls Club (or equivalent) Leader which indicates the student's qualification for the program.

Please note that registration for the camp is done through SFU Summer Camps, **BUT** you should send the completed registration form to Science ALIVE. If the bursary application is approved, **Science ALIVE will then send the registration form in to register the camper.** Do NOT send a registration form to the summer camp office and then apply for a bursary. Science ALIVE is **not able to process applications for campers already registered.** Science ALIVE holds places for bursary campers and therefore there is no concern of the applicant not having a space in camp.

In order to be considered for financial assistance from Science ALIVE, fax or mail this form, and the letters mentioned above, to the Science ALIVE office as soon as possible.
