# Science AL!VE- Summer Camp Bursary Application Form 2011

SCIENCE EDUCATION SINCE 1994

Please have the student write a 1 page **letter**, addressed to Science AL!VE, explaining why they would like to attend Science AL!VE camps this summer. Also include a **letter** from a teacher/ counselor at school, or family friend or community member, or a Boys and Girls Club (or equivalent) Leader which indicates the student's qualification for the program.

Please note that registration for the camp is done through SFU Summer Camps, **BUT** you should send the completed registration form to Science AL!VE. If the bursary application is approved, **Science AL!VE will then send the registration form in to register the camper.** Do **NOT** send a registration form to the summer camp office and then apply for a bursary. Science AL!VE is **not able to process applications for campers already registered.** Science AL!VE holds places for bursary campers and therefore there is no concern of the applicant not having a space in camp.

In order to be considered for financial assistance from Science AL!VE, fax or mail this form, and the letters mentioned above, to the Science AL!VE office as soon as possible. Deadline for applications for July camp weeks, is **June 17, 2011.** For August camp weeks, the deadline is **July 11, 2011.**
