

# Lab Rat Science Club

is Science ALIVE's NEW science, engineering and technology club for kids! The focus is on exploring the fascinating world of Science, Engineering and Technology through hands-on activities, take-home projects, and presentations given by enthusiastic young scientists.

Science ALIVE has **TWO** Lab Rat Clubs; **Lab Rats Junior** for grades 2 through 4 and **Lab Rats Senior** for grades 5 through 7. Participants from the both Lab Rats Science clubs will meet at the same time and locations. They will participate in dynamic labs and activities specialized for their respective age groups, as well as have large joint projects all together!

**Grades:** Completed grades 2 through 7

**JUNIOR – Grades 2 – 4**

**SENIOR – Grades 5 – 7**

**Dates:** Sept. 18 to November 27 2010

Meetings are every second Saturday.

**Time:** 9:30 am to 12:30 pm

**Location:** Simon Fraser University – Burnaby campus and field trip locations.

**Cost:** Fall (6 meetings) = \$60.00

Please note that the registration fee for Lab Rats Science Club does not include any extra cost of field trips.

Bursaries are available, please contact us for info.

## Registration:

Please complete and send all registration forms and payments to Science ALIVE at the following mailing address. If you have any questions or need more information, please contact us

## Other Science ALIVE Programs: Lego Mindstorm NXT Weekend

Students in grades 2 through 7 explore robotics, engineering challenges and computer programming, in a unique one-camper to one-robot learning environment.

Participants can register for one or more of these exciting weekend workshops. For more information on all our programs please check out our website or contact us.
